For more than forty years, NVC has been successfully used in organizations, homes and conflict zones around the globe! Discover a life-changing practice that builds trust, transforms conflict, and creates harmony in your relationships and in your life. We'll focus on how to:

- Liberate ourselves from limiting beliefs and enemy images;
- Create relationships based on mutual respect and satisfaction using requests;
- Grow our understanding of power and work toward a need-based, connection-based paradigm in the world.
